## Casa Pantaleo

 San Pantaleo, Sardegna

Just a few kilometers from the town of San Pantaleo, a characteristic village of North Sardinia, famous for its weekly market and typical stores, we find Casa Pantaleo, a spacious property, entirely built and furnished with valuable materials, equipped with a large outdoor area.

The large garden has a charming swimming pool with its sunbathing area, equipped with 12 sunbeds and tables. There is also an outdoor shower and a secluded hot tub.

The external staircase from the ground floor leads to the large open-plan living room that extends the entire length of the house, finely furnished with fine materials. The open space makes the entire room even larger, with the kitchen
