Villa Del Sole

 Baja Sardinia, Sardegna

A small architectural jewel which has kept its original appearance in its external appearance. The interiors, completely revisited in a modern key, are lively and original. The various terraces create contiguity and harmony between the two environments which perfectly reflect the character of the owners who love to live in the house at different times of the year. The location is unrepeatable, located in the heart of Baia Sardinia a few steps from the square and the equipped beach of Cala Battistoni.

The property, spread over various levels, has been recently renovated with the construction of a small swimming pool set in the garden. The house opens onto the bright living room with separate kitchen, the sleeping area offers three double bedrooms and two bathrooms, one of which has a hydro-massage tub. With access only from the garden, a
