

## Casa Magnolia #1269

The apartment is located within a small condominium complex, in a suggestive and quiet area with a view of the beautiful mountains of San Pantaleo. It has a living room with kitchenette, two double bedrooms and two bathrooms with shower. Complete with a/c in all rooms. The presence of a private garden, a covered veranda and air conditioning in all rooms make it particularly comfortable. Furthermore, the possibility of reaching the town center on foot is certainly an advantage. It is completed with a covered parking space. The beaches of the Costa Smeralda can be reached in a few minutes' drive. The closest is Rena Bianca with white sand and crystal clear water, fabulous for families. IUN/Gov. R4226
